Kaiser Permanente’s Medical Financial Assistance (MFA) program provides financial assistance for qualifying patients who need help paying for emergency or medically necessary care they receive in a Kaiser Permanente facility or by a Kaiser Permanente provider. Patients can apply for the MFA program in several ways including, online, in person, by phone, or by completing and submitting a paper application. Patients must meet the eligibility requirements below to qualify.

Who is eligible for Financial Assistance and what are the requirements?
The program helps low-income, uninsured, or underserved patients who need help paying for all or part of their medical care. In general, patients are eligible for Financial Assistance when their Gross Household Income is at or below 400% of the Federal Poverty Guidelines (FPG) or have unusually high medical costs. Patients should talk with a Financial Counselor to determine eligibility and for help applying.

Patients who are eligible for medical financial assistance are not charged more than amounts generally billed (AGB) for emergency or other medically necessary care. Refer to kp.org/mfa/nw for AGB information.
