2025 COMMUNITY & SOCIAL HEALTH SNAPSHOT

NAPA-SOLANO

Care beyond our walls

Serving communities around our Vacaville and Vallejo medical facilities.

At Kaiser Permanente, we believe your health matters, even if you're not our patient. That's why we reach beyond our medical center walls to improve health in the communities we serve. In 2025, we provided $986,305 in grants and donations to local partners in our Napa-Solano service area to address these critical health needs.

Access to care

Our funding to CommuniCare+OLE provided bilingual care coordination services for 8,000 Napa and Solano county patients with low incomes. These services help patients navigate complex care and connect with the medical and community resources they need to stay healthy.

> **"A 30-year-old patient struggled with homelessness and substance use. The care coordinator reminded him that treatment was available when he was ready. Months later, he returned, entered treatment, and achieved sobriety."**
>
> **– Maribel Bravo-Contreras, Behavioral Health Manager, CommuniCare+OLE**

Income & employment

Our grant to Meals on Wheels Solano County helped reduce food insecurity, address social isolation, and bolster overall health among older adults and people with disabilities. Our funding supported more than 2,000 emergency meal boxes and home-delivered meals.

Kaiser Permanente®

Mental health

Throughout the school year, our funding to the Napa Valley Education Foundation supported 12,338 Wellness Center visits. At these visits, middle school students can access comprehensive mental health services and connect with social services.

"My 8th-grade son struggled with friends and anxiety this year. The Wellness Center staff has been supportive and welcoming. Thanks to them, he finished the year with almost straight As and, most importantly, he finally has a smile on his face."

– Middle school parent, Napa Valley Unified School District

Housing for health

Our support for Caminar's Resource Connect Solano helped Solano County residents who were experiencing or at risk of homelessness to secure stable housing. Our funding provided rental assistance, housing deposits, and application fees, helping at least 500 individuals access or maintain housing.

BY THE NUMBERS

$121M
2025 Napa-Solano total community investment
