2025 COMMUNITY & SOCIAL HEALTH SNAPSHOT

SACRAMENTO

Care beyond our walls

Serving communities around our Sacramento, Rancho Cordova, and Davis medical facilities.

At Kaiser Permanente, we believe your health matters, even if you're not our patient. That's why we reach beyond our medical center walls to improve health in the communities we serve. In 2025, we provided $615,910 in grants and donations to community partners in our Sacramento service area to address critical health needs. Here are examples of our support in action.

Housing for health

We supported WellSpace Health's medical respite program, which provides people experiencing homelessness a safe place to recover after leaving the hospital.* Patients receive medical care, case management to help them identify what they need to stay healthy, and help finding safe housing.

Income & employment

Our funding supported Women's Empowerment's job-training program for women who've experienced domestic violence and homelessness. Clients receive help with transportation, childcare, job readiness, financial literacy, computer skills, housing, and employment while working one-on-one with onsite support staff.

*Funding was provided through a grant from a Kaiser Permanente fund at the East Bay Community Foundation.

Kaiser Permanente

Mental health

We provided grant funding to a Yolo Crisis Nursery program that helps prevent child abuse and neglect. The 10-week, in-home, evidence-based program supports parents and caregivers in crisis, helping them to build stronger, healthier relationships with their children.

"One client, 'Camila,' fled domestic violence with her 3 children. She was unhoused and overwhelmed. With support from her family specialist, she secured shelter and financial assistance, completed a forklift operator certification, and achieved full-time employment. The children are all enrolled in educational programs and thriving."

– Heather Sleuter, Executive Director, Yolo Crisis Nursery

BY THE NUMBERS

$143M
2025 Sacramento total community investment

$72K
Employee and corporate donations through KP Gives

$616K
Grants and donations
